SENATOR CARPENTER: It has nothing to do with---

SENATOR MARVEL: It has nothing to do with 259, no sir. It is the Governor's request. This is an executive guess, that that wasn't--Senator Carpenter's question had to do with the, whether this amended the present operations budget 259, which was passed and my answer was no. It has to do with last years.

SENATOR CARPENTER: No it is, Governor Exon, for example, left some items out of 259 and then he asked for an amendment or supplement or a appropriation, this is not that.

SENATOR MARVEL: That is in 582 Senator Syas.

SENATOR CARPENTER: Now what does this cover specifically. What is the reason for it?

SENATOR MARVEL: Ok, there are, there are three items for instance in the department of public institutions, Senator Barnett, I guess isn't here at the moment, but he could speak to one. Let me give you one example. When the control care facility was put out for bids for the Nebraska Center for children and youth, they found out they were about almost \$18,000 short on the bid. This would put that money in so they could proceed with the construction of a control care facility.

SENATOR CARPENTER: It is just a supplementary amount for those things already in.

SENATOR MARVEL: Yes sir, and the large item, Senator Carpenter, has to do with the Supreme Court and the implementation of 1032 that was passed last session. Those are the major items.

PRESIDENT: Would you make the motion to move to go on.

SENATOR MARVEL: I move that 581 be advanced to E & R initial.

PRESIDENT: You've heard the motion to advance LB 581 from general file to E & R initial. All those in favor, vote aye, all those opposed vote no. Moving 581 from general file to E & R initial. Have you all voted? Clerk will record.

CLERK: 32 ayes, no nays, 17 not voting.

PRESIDENT: The bill is advanced. Next take up LB 583. LB 583.

CLERK: LB 583, (Read) There are committee amendments.
